

CURRICULUM VITAE

Pr. Dr. Eng. CHERIF Adnane,
Professor , FST

Director of the Research Laboratory ATSSEE
Responsible of Master studies SRT-FST
Coordinator of the Online Professional master TIC
Expert in E-Learning

1- Personal Information

Name	: CHERIF	
First name	: Adnane	
Date of birth	: 10/1/1963	
State civilian	: Married	
Nationality	: Tunisian	
Email	: Adnane.cherif@fst.utm.tn	Adnen2fr@yahoo.fr
Such	: 98 200809	

2- Diplomas

1982 : Baccalaureate Math Technique

1987 : Diploma of Engineer ENIT

1991 : Master in Automatic & Electric Engineering

1997 : PhD Doctorate Thesis in Electric Engineering, ENIT , Tunisia

2002 : HDR, in Electric Engineering, ENIT.

3- Professional Experience

- *Since January 2008 :*
Senior Professor at the University of Tunis Manar, Faculty of Sciences of Tunis (FST)
- *From 2002 to 2007*
Maitre de Conférences, FST (associate Professor)
- *From 1991 to 2002:*
Assistant Professor at FST
- *From 1988 to 1991:*
Engineer at ENIT : Assistant of the Director of Department « Industrial Engineering »

4- Pedagogic Experiences

- **Since 1991** : Teaching at FST (Faculty of Sciences of Tunis) in Master & license STIC, EEA, Engineering programs , and doctorate thesis
- **2008 to 2013** : c o o r d i n a t i o n o f the online Master at the virtual university of Tunis(UVT)
 - development of tools E- learning on the Platform from EAD : moodle
- **2017 to 2024** : c o o r d i n a t i o n and Education in the P r o f e s s i o n n a l Master S R T

5- Responsibilities

- Director of Department physical has there FST of 2008 has 2011.
- Director of the research laboratory « *Electric and renewables energy systems* » at the FST Since 2017
- President of there National committee of Promotion of professors of the Ministry of high studies and research 2016 And 2017
- Member of the National Committee of Recruitment of the Assistants during thereperiod of 2006 And 2007.
- Coordinator of the Professionnal Master " system of communications » at FST Since 2003.
- Coordinator of virtual in line of the licenses STIC and MasterPro N2TR at the virtual university of Tunis from 2008 to 2013.
- Responsible of Master TIC in line with the National Center for Continuing Education and Professional Promotion CNFCPP since 2017
- Charged by the ministry DGRST for the assessment and evaluation of projects VRR 2017, VR2020, PAQ 2019, PEJC 2022 and PE2S 2023
- Member of there commission sectoral national of the studies And programs oftraining of engineers with of there DGET of MESRS
- Expert with the ANPR (national Agency of research promotion) for the evaluation of projects and Post-doc candidates
- Expert in E-Learning
- Coordinator of teaching E-Learning in the virtual university from 2008to 2013
- Member of the committee of organization and reading of several conferences national And international (JT'99, CTGE2004, ICOSE2006, JTM2007, IPWis2011 & 2014, JCGE 2017, JCGE 2019, IC-ASET 2020 & 2021, 2023, ATSIP 2024,
- Representative of network Euro-Mediterranean MED-CAMPUS 15 in Tunisia during the period 1995 to 1998.

6- Experiences in certification and accreditation

- Participation in international committees of program Evaluation & Accreditation (NCAAA, ATEA, ...)
- Participating member of the FST committee for the accreditation for master's and engineering training of the cluster of computer science , Electronic and Communication Engineering 2023-2024
- Expert with ANPR (National Agency for the Promotion of Research) for the evaluation of research projects and post-doc, ARESSE green project
- Designed by the DGRS and the DGVR of the MESRS Ministry for the evaluation of VRR, PJE, etc. research projects
- Member of there commission sectoral national of the studies And programs of training of engineers with of there DGET of MESRS.

7- Skills : training and certifications

- 2024: Training on Digital marketing
- 2023: Training on project management (AGILE, SCRUM, etc.)
- 2022: Training on the ISO 9001 and ISO 12001 quality management system
- 2021: Embedded LINUX certification training

8- Partnership and socioeconomic collaboration

8.1. R&D projects carried out

Year	Kind of project	Title of project
1995-1998	MEDCAMPUS 15 (Partner)	Project of training Euro- Mediterranean: training on PV systems
2000-2002	CMCU : cooperation Tunisia - French (Partner)	converters static multi levels
2009-2012	Cooperation UTM-University of Nantes (Partner)	thesis in joint supervision University of Rennes & Univ Tunis Manar : CHERIF (Tunisia) + BASSEL S (Brest-France)
2011 – 2014	Project of cooperation Tunisia - Moroccan PCTM 11TM38 (coordinator)	Follow up of the facilities electrification rural in Tunisia and to Morocco (ATSSEE, FST , UTM + Univ Med5, FSO)
2017-2020	Project of research valorization VRR (coordinator)	Improvement of the penetration rate And integration ratio of the Renewables sources in Tunisian electric Network (ATSSEE + MESRS + FST + STEG)
2017 & 2019	AUF (Association University of the French-speaking countries)	Support for the organization of workshops (ATSSEE, UTM, FST , AUF)
2019-2023	PAQ-Collabora (coordinator)	Migration of STEG network towards smartgrid (ATSSEE, FST, Tun Telecom, STEG, MESRS)
2020-2022	Project COVID-19 (coordinator)	E-health application for elderly people(ATSSEE, FST, AFA medical center , MESRS)

2022-2025	Project H2020 Euro-African LEAP-RE (Partner)	Hybrid PV solar cooker (Spain, Portugal, Italy, Germany, Tunisia, Algeria, Morocco)
2023-2024	Project of excellencescientist P2ES (coordinator)	Smart green Agriculture
2024-2026	Arab League ARICA Project (coordinator)	Sustainable development model for the management of energy and water resources in the Arab Maghreb (Tunisia + Algeria + Morocco + Libya)

8.2 . Signed agreements

<i>Duration of there convention</i>	<i>Partner</i>	<i>Object of convention</i>
2017-2021	ECOPARC Park technological of Borj cedria	Incubation, Start up, valuation, Follow up of prototype, elaborations of projects common
2016-2019	Association "AFA »	Research, bases of data Internships of doctoral students
2017-2021	Centre of D chercHeys And it is TechnoLogies d e L'Inergie CRTEn	Realization And measures experimental, Research And co-supervision of theses and masters
2017	STEG international	Development of applications in Renewable energy
2016-2020	STEG	Internships, training, MOBIDOC,... Partner of Project PAQ-Collabora
2019-2023 renewal	Tunisia Telecom TT	Assistance , services of connection Partner of Project PAQ-Collabora
2017-2021	Fac of the science from Oujda University Med first - Morocco	Thesis in joint supervision And Mobility of there searchers And of teachers
2017- 2019	AUF (Association University of French-speaking countries)	Organization of conferences And of demonstrations scientists
2018-2023 renewal	Horizon-Data company	Start-up For there bet in open And there realization of our prototype
2021-2026	CETIME	Certification of the products, Assistance And expertise And subcontracting
2022-2025	ACTIA	Opening socioeconomic Projects common Co-Supervision
2022-2026	University of Loughborough -GB	Support financial And of nature Of the projects Horizon Europe
2023-2025	ANPR : Agency National of Promotion of there Research	Assembly common of a lab pilot PPI4

8.3. Coopération with international Laboratories

Nom du laboratoire	Directeur	lieu	université	Type et objet de coopération
LETSER	Pr Kassmi Khalil	Faculté des Sciences d'Oujda	Université de Med premier Maroc	Une convention est établie entre les deux labos (cotutelle + projet R&D + mobilité)
Electric Power Systems and Microgrids	Pr Gerrero J.M	Faculty of Engineering and Science de Alborg	Alborg Danemark	Mobilité , Stage de recherche & projet de recherche & publications communes
SAMOVA CNRS-UM5505	Pr. Julien Pinquier	IRIT-Toulouse	Université Toulouse III Paul sabatier	Projet de recherche (projet Utique)
L2P- Lille	Pr. Bruno FRANCOIS	Ecole Centrale de Lille	Université de Lille	Mobilité des enseignants et doctorants
POLARIS IETR, CNRS	Pr. MERIC Stéphane	INSA-Rennes	Université de Rennes	En cours de développement (co-encadrement & thèse en co-tutelle & mobilité, montage de projets
IMT Atlantique – labo ITI	Prof. BASSEL.S	ESTTB Telecom Bretagne	Université de Nantes	Co-tutelle de thèse dans le domaine d'imagerie médicale
(ITM-CNR) National Research Council of Italy	Alberto Figoli	ISTITUTO DE TECNOLOGIA	Università della Calabria	Mobilité , publications communes, projet R&I
FHR de Franhoover	Dr. Reinhold Herschel	Fraunhofer Institut fur Hochfrequenzphysiku dRadar technik	Franhoover Allemagne	Echange de stages et doctorants Co-encadrement Projet de recherche TUNGER

8.4. Patent

- Patent for autonomous electric car powered by green hydrogen powered by PEMFC
Ref : TN2023/0007 of 12/1/2023

9- Languages

- Arabic: (read, written and spoken)
- French: (read, written and spoken)
- English: (read, written and spoken)

10- social and association activities

- Member of the Association of Electrical Specialists of Tunisia ASET
- Member of the FST university teachers association

11- Scientific Production

- 132 publications in indexed and impacted journals
- 65 communications in International conferences
- 03 published Books (CPU)
- 02 online Courses on the platform www.uvt.rnu.tn
- 46 thesis of doctorates supported under my direction & supervision
- 38 Masters of research (supported)
- 55 Professional Masters STR (supported)

13. Visibility through mass medias and social networks

- Reporting turned & broadcast on the national TV **Watania 1** , 8/3/2023 at 8 p.m.
