

Pr. Dr. Eng. CHIERIF Adnane

Years Experience

Publications

PhD Students

Int'l Projects

Distinguished Professor and Research Director with 35+ years of expertise in Electrical Engineering, Renewable Energy Systems, and E-Learning. Director of ATSSEE Research Laboratory and Master SRT Program Coordinator at FST. Expert in smart grid technology, renewable energy integration, and digital education platforms. Proven track record in international research collaboration and academic leadership with extensive experience in project management, quality systems, and digital innovation.

Senior Professor & Research Director

University of Tunis Manar, Faculty of Sciences of Tunis (FST)

📅 January 2008 - Present | Tunis, Tunisia

- ▶ Director of ATSSEE Research Laboratory specializing in renewable energy systems
- ▶ Coordinator of Professional Master SRT program and online TIC Master

- ▶ Led international research projects with EU, Morocco, and France partnerships
- ▶ Supervised 20+ PhD students and published 50+ research papers
- ▶ Expert evaluator for ANPR, MESRS research projects and post-doc candidates

Associate Professor (Maitre de Conferences)

Faculty of Sciences of Tunis (FST)

📅 2002 - 2007 | Tunis, Tunisia

- ▶ Teaching electrical engineering and renewable energy courses
- ▶ Developed curriculum for STIC and EEA programs
- ▶ Coordinated Professional Master in Communication Systems
- ▶ Established international cooperation with European universities

Assistant Professor

Faculty of Sciences of Tunis (FST)

📅 1991 - 2002 | Tunis, Tunisia

- ▶ Teaching undergraduate and graduate electrical engineering courses
- ▶ Research in power electronics and renewable energy systems
- ▶ Participated in MEDCAMPUS 15 Euro-Mediterranean training project
- ▶ Developed laboratory facilities for electrical engineering education

Engineer & Assistant Director

ENIT (National School of Engineers of Tunis)

📅 1988 - 1991 | Tunis, Tunisia

- ▶ Assistant to Director of Industrial Engineering Department
- ▶ Managed engineering education programs and student affairs
- ▶ Coordinated industry partnerships and internship programs

HDR (Habilitation à Diriger des Recherches)

ENIT - National School of Engineers of Tunis

📅 2002 | Tunis, Tunisia

Electrical Engineering - Qualification to supervise doctoral research and lead research teams

PhD in Electrical Engineering

ENIT - National School of Engineers of Tunis

📅 1997 | Tunis, Tunisia

Doctorate Thesis in Electrical Engineering specializing in power electronics and renewable energy systems

Master in Automatic & Electric Engineering

ENIT - National School of Engineers of Tunis

📅 1991 | Tunis, Tunisia

Advanced studies in automation and electrical engineering systems

Engineering Diploma

ENIT - National School of Engineers of Tunis

📅 1987 | Tunis, Tunisia

Engineering degree with specialization in electrical and industrial engineering

Baccalaureate Math Technique

Tunisia

📅 1982 | Tunisia

Technical Mathematics Baccalaureate with focus on engineering preparation

LEAP-RE H2o2o Euro-African Project

📅 2022-2025

Partner in international project developing hybrid PV solar cooker technology.

Collaboration with Spain, Portugal, Italy, Germany, Tunisia, Algeria, Morocco.

PAQ-Collabora Smart Grid Migration

📅 2019-2023

Coordinator of project for STEG network migration towards smart grid technology.

Partners: ATSSEE, FST, Tunisie Telecom, STEG, MESRS.

VRR Renewable Energy Integration

📅 2017-2020

Coordinator of research valorization project improving renewable energy penetration and integration in Tunisian electrical network. Partners: ATSSEE, MESRS, FST, STEG.

COVID-19 E-Health Application

📅 2020-2022

Coordinator of e-health application development for elderly people during pandemic.

Partners: ATSSEE, FST, AFA Medical Center, MESRS.

- ▶ **Director of ATSSEE Research Laboratory** - Electric and Renewable Energy Systems (2017-Present)
- ▶ **Coordinator of Professional Master SRT** - FST (2017-2024)
- ▶ **Director of Physics Department** - FST (2008-2011)
- ▶ **President of National Committee** - Professor Promotion, MESRS (2016-2017)
- ▶ **Coordinator of Online Master TIC** - Virtual University of Tunis (2008-2013)
- ▶ **Expert Evaluator** - ANPR, MESRS research projects and post-doc candidates
- ▶ **Member of National Sectoral Commission** - Engineering Training Programs, DGET-MESRS
- ▶ **Representative of MED-CAMPUS 15 Network** - Tunisia (1995-1998)

- ▶ Digital Marketing Training (2024)
- ▶ Project Management Training - AGILE, SCRUM (2023)
- ▶ ISO 9001 and ISO 12001 Quality Management System (2022)
- ▶ Embedded LINUX Certification Training (2021)
- ▶ E-Learning Expert Certification
- ▶ Research Project Evaluation Expert (ANPR, MESRS)
